

Giving to K.E.Y.S.

Kingdom Education for Young Scholars, Inc. (K.E.Y.S.) is officially recognized as a non-profit, 501(c)(3) public charity. What does that mean? That means that K.E.Y.S. can accept donations in three forms:

- *Monetary
- *Property-real estate
- *Assets of any kind

Contributions for which tax-deductible receipts are issued are fully under the control of K.E.Y.S. of Arizona and are tax deductible to the full extent allowed by law. No goods or services can be received in connection with these contributions.

~ Corporate matching gifts opportunities ~

Your gift could be matched dollar for dollar! Many companies offer matching gift programs that will double, even triple a donation's value. Check with your company's personnel office to determine the policy of your place of employment. Once you have determined that your company matches donations made to educational organizations obtain the appropriate form from your HR office and send it with a copy of your gift receipt to:

Kingdom Education for Young Scholars, Inc.
ATTN: Administrator
21103 N. 74th Drive
Glendale, AZ 85308

The K.E.Y.S. Tax Identification Number or EIN is available upon request when filing matching gift forms.

May you know the insurmountable blessings of our God who holds the K.E.Y.S. to the storehouse of Heaven.

Warm regards,
