

Health Release of Liability Waiver and Partnership Agreement

K.E.Y.S. is not a school. K.E.Y.S. is a non-profit community service organization that exists to partner with homeschool families as a resource to assist in their home education. Parents are the primary educators; K.E.Y.S. facilitators exist to help “tutor” students and prepare them for college.

As parents choosing to enroll students in K.E.Y.S. classes and as part of the K.E.Y.S. community, please signify your agreement by signing below:

- I acknowledge that attending K.E.Y.S. is a choice. By choosing to join K.E.Y.S., we commit to **partnering** with K.E.Y.S. in pursuit of maintaining a healthy campus in 2023-2024.
- By choosing to attend K.E.Y.S., I acknowledge that there is an inherent risk of exposure to viral or bacterial infections in any public place where people are present on campus or at K.E.Y.S. events. By sending my child/children to K.E.Y.S., I expressly assume all risks related to COVID-19 and agree not to hold K.E.Y.S. of Arizona, Inc, West Thunderbird Community Care Center, or Christ’s Community Church’s leaders, directors, members, private contractors, volunteers, or families, liable for any illness or injury should our family contract COVID-19 or other infections, due to negligence or otherwise. This agreement operates as a covenant not to sue. Accordingly, I hereby release, discharge, waive, and acquit the foregoing named persons and entities from any and all liability, claims, actions, or demands which I may hereafter have because of any COVID 19-related illness or other infection arising out of my/our participation in K.E.Y.S. This Health Release and Liability Waiver also acts as a Covenant not to sue.
- As a family, I/we commit to being vigilant in doing my/our part to prevent K.E.Y.S. (campus, events, contractors, directors, board members, volunteers, and students) from being exposed to possible infected students. We will do this by closely monitoring the health of our home and refraining from sending our children, or their siblings to K.E.Y.S. campus or events, should they **display any symptoms whatsoever** of being ill.
- I will inform K.E.Y.S. if my children are kept home for reasons of sickness so that extra cleaning measures can be carried out.
- I understand that if, during the course of the day at K.E.Y.S., my child begins to feel ill, or exhibits symptoms of sickness, his/her immediate pick-up from campus will be required. K.E.Y.S. will make an attempt to safely quarantine my sick child from exposing other children.

In the interest of maintaining a healthy, educational environment, please sign below to signify that you promise to follow this solemn agreement.
